

## **Description of development and scope of works**

Works to the Silver Jubilee Bridge arising from the provision of the Mersey Gateway Bridge will comprise:

- a) Planning of the existing SJB deck surfacing;
- b) Surfacing and waterproofing treatment;
- c) New kerblines;
- d) Surfacing of the new footpaths and cycle paths;
- e) New road markings to reflect the realigned road layout;
- f) New road signage to reflect the realigned road layout; and
- g) Works to close off the existing walkway.
